## Inaugural **Mediterranean** Journey

### A Maiden Journey into history

The Mediterranean swims in a palette of lemon and vermillion. Ancient temples stacked like a Cubist fantasy, tumbling over rugged cliffs and bays. Feel the passion that inspired the imagery of Picasso and Miró, and shaped the voluptuous curves of Gaudí's architectural masterpieces. The spirit yearns when the sea beckons us to

St. Tropez, Calvi and Fiskardo, — three lesser-traveled destinations where the yacht-set rubs shoulders with the bohemian. Cosmopolitan, diverse, bustling. It's impossible not to fall in love with Rome; she is that rare beauty processing everything you have ever wanted: the Colosseum, Trevi Fountain, Michelangelo, and of course, world-class gelato. Peel back the layers of time in Athens at the Parthenon where gods are frozen in flight in stone carvings. Our journey in the Mediterranean offers an unending element of surprise to inspire bold brushstrokes in life.

## Inaugural Norwegian Journey

### A Journey to Epic fjords & the Arctic Circle

For those who seek the rare and uncompromising, our Inaugural Journey into Northern Europe will put you in a rare state of bliss. We traverse into some of the narrowest fjords of Norway and chart a course beyond the magical latitude of  $66^{\circ} 33'$ : the ephemeral boundary of the Arctic Circle, above which the sun never sets.

Hellesylt leads us into the hallmark Geiranger Fjord, a wonder of inlets, cliffs and waterfalls that tumble in shards of silver and dissolve into a rainbow mist. We'll explore the fjord towns of Hellesylt and Molde, which greet us like the brightly dressed children of summer. The ultimate show-stoppers are the Arctic Globe Monument and Svartisen Glacier, a miles-thick ice wonder that shouldered its way to the sea. Tromsø, gateway to the arctic, promises of tailor-made adventures into storied Lapland.

### A Journey to lochs, lore & the Military Tattoo

The teak promenade of EXPLORA I becomes your stylish catwalk as you journey to where men wear kilts and women mash the best scotch whiskey. Walk in the footsteps of saints and ancient kings. Cross paths with artists and poets who protest there “may be dragons.” Edinburgh is enigmatic with come-hither nooks and the jaw-dropping global performance of the Military Tattoo set before the light-washed Castle. Hadrian’s Wall and the Angel of the North draw us to Newcastle.

Are there mightier men than those in the Highlands of Invergordon who still look upon quiet glens filled with history of past carnage? Tour the Oban Distillery then ponder the War & Peace Museum. It all makes sense as you glide into Liverpool, birthplace of the Beatles. Discover Loch Lomond in Glasgow then go in search of more kingdoms of the sylvan and sublime.

## Inaugural Iceland & Greenland Journey

### A Journey to stories of Fire & Ice

We are all travellers at heart who crave that tantalizing spark of excitement when stepping into the unfamiliar. Nowhere is that fire better kindled than in the land of ice, where life-affirming wonders includes deeply immersive adventures. Zodiac beside looming icebergs. Spelunk massive ice caves. Snorkel between tectonic plates. While most consider this landscape as other-worldly, it is pure heaven to film directors and A-list actors who forge through Game-of-Thrones scenery.

A golden circle of soul-enriching sites inside the Golden Circle, flights over Gullfoss, Geysir, then immersion beyond Isafjörður. Breath-taking Greenland brings us to the calving Eqa Glacier, the lineage of Erik the Red, and Qaqortoq, the “White Palace,” abounding with icebergs, whales and the Lyngmark Glacier. Reality brings us back to Nova Scotia, Newfoundland and New York where carefully crafted land experiences let you explore like a local.

## Inaugural North American East Coast Journey

### A Journey to Atlantic provinces & maritimes

The land of opportunity is not just a moniker, it also applies to curated experiences that go beyond the superficial to delve deep into the soul of North America. There is no place with more potentiality than Manhattan, the global capital of commerce and culture. The MoMa, Wall Street and Harlem, New York embraces it all ...and so can you easily.

From the wealthy summer playground of Newport, we turn to Boston, dubbed the Athens of America. Go behind-the-scenes along Freedom Trail to see how revolutionary thinking still rings. Intriguing beyond measure, Bay of Fundy astonishes with its colossal tidal change (half the width of EXPLORA I). Gliding deep into the Gulf of St. Lawrence we arrive in Quebec City just as a thousand lights twinkle on at Le Château Frontenac and the UNESCO-protected Old City of ingenuity.

### A Yachtsman's Paradise

The moon over Miami shines on a sultry, sophisticated city. Posh galleries and street murals bring Art Basel to Wynwood while art deco architecture call models and moguls to Ocean Drive. Tip: dine at Joe's Stone Crab for its name-sake seasonal delicacy. Plying a southern chain of mangrove islands, we call on Key West, where legendary writers and wanderers all toast life at Sloppy Joe's.

Next, a long-held yachtsman's cove, Virgin Gorda, enchants with curious beach boulders as big as houses tossed about like a giant's marbles. Snorkel among parrot fish, iridescent coral and starfish the colour of the sun in Antigua and Anguilla. On the tony island of St. Barths, known as St. Tropez West, we lounge with the soigné set at Nikki Beach. Hummingbirds, herons, parrots in every colour...this is the Caribbean of EXPLORA I.

## Inaugural **South American Journey**

### Chasing Carnivals in Brazil

With a quest for Carnival, the fates bring us to Brazil to experience not one but two of the most epic street parties. To prepare, first we call on the sybaritic beaches of Barbados and Fortaleza punctuated with a visit to untamed Devil's island. Tender ashore to this infamous French penal colony where a wild jungle frames Instagram-worthy photos.

The party begins in the African soul of the country, Salvador, where Carnival beats to a rhythm all its own. We arrive in Rio on the most fervent night of the celebration. Pounding drums, caipirinhas, costumes in every colour. To describe Rio Carnival as a "once-in-a-lifetime" experience would be an understatement. The Manhattan-like skyline of São Paulo draws us in as a cosmopolitan basecamp for expeditions to Iguazu Falls and further into the deepest reaches of the continent.

## Inaugural **Hawaiian** Journey

### “No Ka ‘Oi” of Hawaii

Of all the ways to travel to Hawaii, Explora is undoubtedly the most satisfying. An ocean escape with a slower pace combined with elite curated experiences. When the sun is high, you can almost see Pele, the goddess and creator of Hawaii, sitting in her heaven in Hilo. Cardio-hikes lead through rainforests to waterfalls and lava flows from two active volcanoes. Imagine chauffeured shopping safaris in Waikiki. A private tour of Pearl Harbor and Punch Bowl. Or surf lessons on Oahu's epic North Shore.

In Maui, mimosas toast the sunrise atop Haleakalā or in the eden-like utopia of Hana. As glamorous as a movie set, Kauai is perhaps the most picturesque island. From the dramatic 4,000-foot-high Napali cliffs to 3,000-foot-deep Waimea Canyon, Kauai is a natural beauty worth obsessing. Hawaii, “No Ka ‘Oi,” truly is the best.
