CHILDREN: There are no child-minding facilities or activities for children on board. Long journeys are not recommended for under 13s. Children between 0-2 years old are not permitted to travel. Please be sensitive to the adult atmosphere of the train by keeping your children respectful and quiet. See Child Policy.

CURRENCY:

- South Africa – Rands only. We accept all major credit cards on the train.
- Outside of South Africa – Rands are accepted in Namibia and Swaziland. US Dollars are accepted in Zimbabwe, Dar es Salaam, DRC and Angola. Cash is highly recommended. Hotels and major dealers accept credit cards.
- US Dollars printed before year 2009 or that look worn will not be accepted. Low denominations recommended for shopping/gratuities. Larger denominations recommended for exchanging money to local currency (especially in Tanzania) as you get a better rate.

DIETARY REQUIREMENTS: We will do our best to cater for dietary requirements provided a detailed request has been made at that time of your reservation. If a special request has not been made, the chefs will endeavour to prepare suitable meals with the ingredients available on board. We regret we are unable to prepare meals requiring strict religious observance in the preparation.

Breakfast: 07:00-10:00 • Lunch: 13:00 • Tea: 16:30 • Formal Dinner: 19:30. Bar service is from 07:00-±01:00. All meals are served at these times unless otherwise stated in the timetable. GIFT SHOP/ADMINISTRATION: There is a small gift shop on the train and at Rovos Rail Station. Due to the varying exchange rates, credit cards are preferred. The host/ess on duty has a basic First Aid Kit and personal essentials (toothbrushes, razors, earplugs etc.). He/she will also fulfil any administrative requirements and check your onward arrangements.

GRATUITIES: Gratuities for the staff are at your discretion. If you wish to show your appreciation in this manner, there will be a suitably marked envelope in your suite that you can hand directly to the Train Manager who will distribute any amounts on a pro-rata basis (share) among the staff on board. An amount between ZAR100-200 (± US\$10-20) per person per night is suggested, depending on the length of your journey.

LAUNDRY: There is a limited laundry service on board comprising household washers, dryers and steam irons. The turnaround is 48 hours so we are not able to handle a week's worth of laundry. There are no dry-cleaning facilities en route or on board the train. Please note that while we are providing a complimentary service we cannot be held responsible for items that may be damaged or lost in the process.

LOCOMOTION: Use of steam has become increasingly difficult over the years as more and more water and coaling facilities have been scrapped. Diesel or electric locomotives are used while steam is used in and around the area of Rovos Rail Station only.

LUGGAGE: Each suite has a luggage rack that runs its length providing ample space for storage. On selected annual journeys, guests are provided with a Rovos Rail tog bag that can be used for overnight trips or hand luggage on aircraft.

MAGAZINES, MAPS AND GAMES: There are board games, playing cards, a card table (dependent), books and magazines available for your use in the lounge and observation cars while on board. In your suite is a map, itinerary and the *Journeys* magazine featuring articles of interest related to your route.

MOBILE DEVICES AND INTERNET: In maintaining the spirit of train travel there are no radios or television sets on board. The use of mobile phones, laptops and essentially anything that has the ability to disturb other passengers is confined to the privacy of your suites only. The reception is poor while the train is moving. It is advised to contact your service provider to ensure the correct settings for network services are activated. WiFi is available at our lounges in Cape Town and Pretoria and at most off-train accommodation.

POSTAGE: Stamps are available for sale from the Gift Shop. Postcards may be given to the Gift Shop/Administration host/ess. If the map supplied is not comprehensive enough you may purchase a more detailed map from the Gift Shop.

SECURITY: An electronic safe is provided in the cupboard in each suite.

SMOKING: On board the train smoking is allowed in the smoking Club Lounge only. HOWEVER, please be mindful of other non-smoking guests, that the train is generally made up of wood and DO NOT throw flammable items such as cigarette or cigar butts off the train. Bush fires in Africa are a constant and dangerous hazard. Please note at the time of your reservation if you are smoking or non-smoking so that the appropriate room might be requested at the hotels.

SPECIAL OCCASIONS: Please note at the time of your reservation if you are celebrating an occasion as we'd like to share it with you.

TEMPERATURE AND TIME ZONES: All public cars are fitted with gas-filled air-conditioning systems. Each suite has an individual air conditioner with temperature controls that can also be set to heat mode. Windows should be closed while operating the air-conditioning unit. Electric under-blankets are fitted on the bed. See guide...

THE TRACK: The track over which we travel is inconsistently maintained. If you wake at night imagining the train is travelling at high speed, be assured it is the state of the track below creating that impression. We restrict the train to 60km/h (37mph) and over bad sections reduce speed to as little as 20km/h (12mph). If you find it noisy, earplugs are available from the Gift Shop.

WATER: The water used on the train is carried in tanks under each coach. These tanks are filled every day but they cannot be topped up while the train is travelling. Please assist us by using water responsibly. Water inside the cabins has been filtered and chlorinated; it is safe for bathing and brushing teeth only. Please use the bottled water provided for drinking.
